Dear Parent/Carer

### **Governance Review**

I have asked the Diocese of Leeds Education Team to conduct a review of school governance, as I am keen to ensure that the board is as effective as possible.

As part of this process, they will be gathering evidence from governors, senior leaders, staff and the school community.

As part of the review, we would like the views of parents and carers to be taken into account. The questionnaire is completely anonymous and should take just ten minutes. I would encourage you to be as open and honest as possible so that we can truly celebrate all that is done well by our board and so that any identified points for improvement are as accurate as possible.

**I would be grateful if you could complete this form by Friday 8<sup>th</sup> September.**

In anticipation, thank you for spending your time on this.

Yours faithfully
