Respect. Resilience. Responsibility. Confidence. Co-operation. Compassion.

16 June 2023

Dear Parent/Carer

Water bottles in school

Following a number of conversations with parents and carers this week about the contents of children's water bottles, we would like to remind parents that unless they have a medical issue and as such, a dispensation, all children should have a water bottle containing plain water with them in school everyday. Throughout school this has been the instruction in place since the introduction of the Healthy Schools program many years ago.

There are children with allergies in school which means we have to enforce this rule more strictly from a safety perspective. Please do not broach the issue of children's allergies with their parents/carers; if you would like to discuss the matter further please contact school.

Yours faithfully

Mrs Berry

Head Teacher

Meadow Close, Greenacres, Shelf, Halifax, HX3 7QU. Telephone: 01274 676246
