Dear Parent/Carer

Food Bank

During the pandemic, our school set up its own Food Bank so that we could support those in our school community. We were delighted by the generosity and kindness of parents, carers, friends, neighbours, charities and local shops who made this all possible and we thank them sincerely for their support. Over that period, we not only supported families in our school but other families in our area that needed our help. Mrs Westby would like to help any families that may require this so again we would like to ask for any donations. We all know times are hard at the moment but any contributions of the following items would be gratefully received so we can get the Food Bank back up and running again.

Tinned: corned beef, tuna, sardines, vegetables, rice pudding

Jars: sandwich paste, pasta sauces, jam, coffee

Packets: pasta, cereal, biscuits, tea bags, rice, UHT milk

Toiletries: shampoo, body wash, soap, toothpaste, sanitary products

Cleaning products: washing powder or tablet, washing up liquid

On a final note, if you would like to access alternative food banks please find the links below for the services that can help.
