Dear Parent/Carer

SEN / Pastoral Support

On Wednesday 8th February we will be offering a few sessions to support families.

Information session

It can be tricky to navigate support for your child, especially with us being a school bordering two different local authorities. Mrs Berry will be hosting a session that will look at different types of needs, particularly within the Neurodiversity umbrella, and what support there is for families. We can discuss when to go for an assessment, the assessment pathways and provisions. These sessions will be after drop off at 9:15am and then repeated at 6pm.

Not alone natter!

There will be opportunity to get together with other parents and chat over a cup of tea or coffee after the information session. This peer support can be vital for families. There will be a chance to have a brief chat with Mrs Berry, Miss Lawless or Mrs Westby if you would like to raise a specific SEN/pastoral care concern about your child. If you need a more in depth conversation please book a slot.

Booked slots

We will be holding SEN/Pastoral drop-in meetings with the pastoral staff; Mrs Berry, Miss Lawless and Mrs Westby. These are book ahead meetings to discuss any SEN or pastoral concerns you may have about your child. We invite you to request a time to meet by emailing the school office at:- admin@st-michaelangels.calderdale.sch.uk Please include the area of need/concern you would like to discuss. We will then confirm by text.

We hope you will be able to join us but please do not hesitate to contact us directly if this is not convenient to you.

Yours faithfully

Mrs Berry
