Dear Parent/Carers

Parent Voice

This is a group of parents/carers that meet regularly throughout the school year with a member of staff and Mrs Berry. It provides an opportunity for parents/carers to recognise the strengths of our school and suggest ideas for improvement. Parents/carers have ownership of this group and therefore can voice opinions and allow us the opportunity to make changes, put things right or even justify why we cannot make such changes. Parent Voice Group is a partnership between school, working together with parents/carers to make it a better place for all. As a school we welcome feedback on our strengths, areas for development, and of course we always want to hear your compliments!

Back in July we asked for new parent/carer class representatives for this academic year and to date have just one for Year 2. For those new to school or if you weren't sure of your availability when the previous letter was sent out, if this is something you are interested in please email us on admin@st-michaelangels.calderdale.sch.uk.

There will be a 'coffee and get together' on Tuesday 8 November at 2:30pm for the new class representatives to give us opportunity to meet each other and discuss any issues you'd like to raise.

Yours faithfully

Mrs Berry
