Dear Parents/Carers

OFSTED Inspection

As you are aware, our school was subject to an OFSTED Inspection last month. We have now received the official report and we are delighted to be able to share some of the key findings of this with you. A [full copy](#) of the report can be found on our school website for your perusal.

We are sure you will join us all in being exceptionally proud and pleased that we have continued to be a good school!

We all think very highly of St Michael & All Angels School & Pre-School. The school works assiduously to create the very best learning environment for every child in its school community. Without a doubt, this is a huge reflection on the hard work that everyone; staff, community and of course our amazing pupils have all put in to making St Michael & All Angels School & Pre-School such a lovely, *'friendly and welcoming place to learn'*.

We would like to take this opportunity to thank the leadership team, staff, pupils, governors and families who work tirelessly to keep what is great about St Michael's.

We would also like to thank you as parents and carers specifically, who have supported school in all we have been aiming to achieve. The inspectors noted; *'The school's partnership with parents and carers is strong'*.

We feel we provide exemplary care, guidance and support for our pupils which has contributed significantly to improvements throughout school; something that was evident during the Inspection. Once again, pupils' well-being was highlighted as a strength; *'The support for pupils' well-being and welfare is a priority. As such, pupils feel safe and well cared for. They trust adults to swiftly sort out any problems that might arise. Bullying is rare'*.

Teaching and attainment were praised highly. As were our amazing pupils who were deemed as *'polite'* and *'showing great respect for their teachers and one another'*.

Leadership remains strong. The school is *'led and managed well, with all school leaders, including governors, understanding the strengths of the school and having appropriate plans to help it improve further.'*

Like any school, we have areas that require further development. We were aware of these things and continue to have clear development plans to continue to improve.

We thank you for your continued support for St Michael & All Angels School & Pre-School - it is greatly valued and appreciated.

Yours faithfully

Mrs Joanne Feltham

Chair of Governors
