

Newby Wiske

Year 5 - October 2025

The Rooms

“The rooms were great.”

Sophia - Rose

“Every bed had LED lights that could change colour.”

Joshua

The Food

"The food was delicious, but the jelly and the hashbrowns were perfect!"

Isabelle

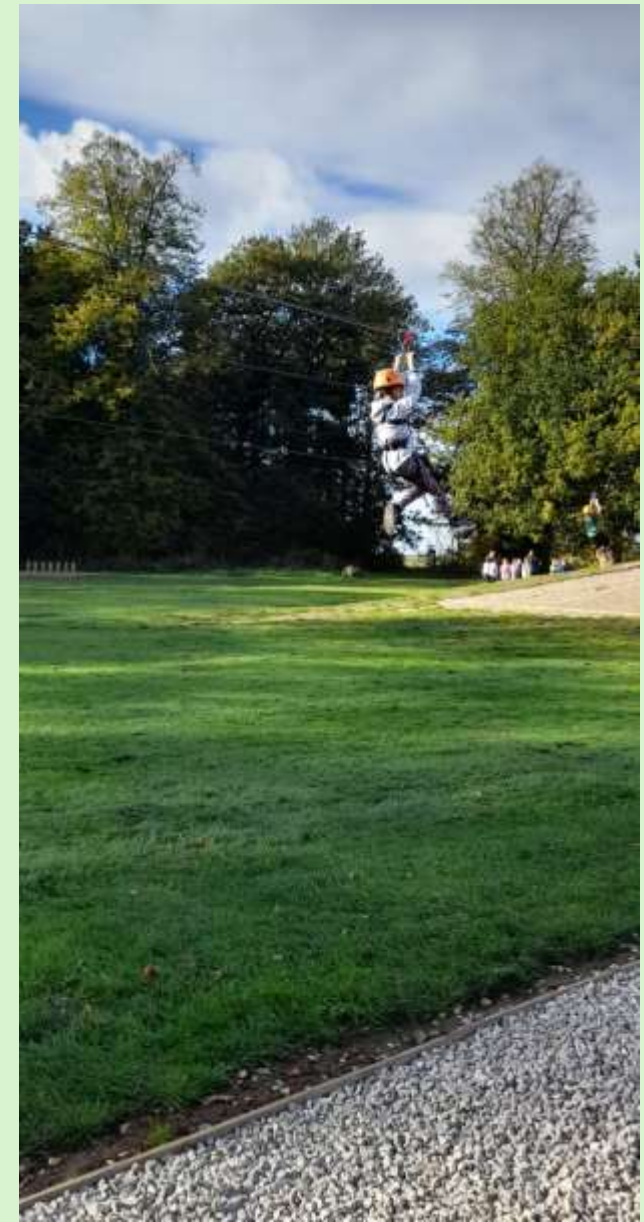

"The food was 5 stars!"

Joelie - Mae

“At the top of the zip line it was scary but when you went down it, it was thrilling.”

Theo

Zip Line

We wore safety helmets and harnesses to keep us safe.

You had to hold
on tight.

“It was really safe, but when I went on the zip line,
it felt like my tummy had disappeared.” Ava

Archery

"It was difficult to get the bullseye on the target."

Ned

“My favourite part was the archery. I also faced my fear of heights.” Jack

“It was difficult to get the right amount of power to make the arrow hit the target.”

Frankie

Problem Solving

“It was fun trying to find out how to solve the puzzles.”

Jack

“We had to work together to solve the problems.”

Hope

“It was really tricky but really fun!”

Isabelle

Lazer Tag

It was
really fun!

“It was hard
to hide from
people while
aiming for
other players.”

Frankie

“It was tricky
to shoot the
targets on
people’s heads,
but it was lots
of fun!”

Allie

We had to
work together to
use strategies
to outsmart the
other team.

Giant Paddle Board

I loved paddle boarding and I jumped in the freezing cold water. It was so fun!

Norah

“My favourite activity was paddle boarding. We got to jump in the lake at the end, and it was FREEZING!”

Frankie

“My favourite activity was paddle boarding.”

Saskia

Survivor

We had to build a shelter in the woods using a tarpaulin, ropes and metal pegs.

"We used knives to make little feathers on the sticks. This made it easier to light a fire."

Ava

We sliced away from
our hand to be safe.

It was difficult to light the cotton wool using a flint and steel.

We had to show resilience as it took some of us a long time to make a fire.

Abseiling

“What I loved about Newby Wiske was the abseiling and the jumbo sausages at dinner time.”

Zach

Abseiling was the best!

Isaac

“Before I went to Newby Wiske I was scared of heights, but since I did the trapeze and abseiling, I am not as scared.”

Adalina

Trapeze

"On the trapeze I overcame my fear of heights."

Allie

“It was amazing! I overcame
my fear of heights and I got to
the platform on the trapeze.”

Hope

“It was extremely fun and I did everything. I even swam in the lake!”

Edward

“They were some of the best nights of my life!”
