Dear Parent/Carer

New Year

Welcome back! We hope you had a restful and joyful Christmas break with your families. As we embark on a brand new year, we wanted to take a moment to extend a warm welcome to all our new families who have joined our school community in pre-school. We value the partnership between home and school and believe that together we can make a positive impact on your child's education.

We are also excited to welcome our new staff, Mrs Bedford and Miss Brickwood, who have joined our team over the last few weeks. They will focus mainly on children who need extra support as well as working with small groups and whole classes. I am sure they will be great assets to our experienced staff team.

At St Michael's we are committed to providing a nurturing and stimulating environment that fosters academic growth, personal development, and emotional well-being. We have lots planned for the upcoming term, including our next Open Morning for current parents which is focusing on Writing on Thursday 18th January.

As always, effective communication is crucial, and we will ensure that you are regularly updated on your child's progress, important dates, and any news or updates from the school. Please don't forget to sync your calendar to the school calendar and reach out to us if you have any questions, concerns, or suggestions; we're here to support both you and your child.

Wishing you a fantastic start to the new year!

Warm regards

Mrs Berry
