7 November 2023

Dear Year 4 Parents/Carers

Proposed Year 5 Residential Trip September 2024

As you know from the residential feedback meeting in September, Miss Burt and our current Year 5 were one of the first groups to visit the new activity centre at Newby Wiske Hall in Northallerton. We are pleased to let you know that we are in discussions with the trip provider again with a view of potentially holding this residential trip for our current Year 4 class for the beginning of the next academic year as they move into Year 5.

The plan would be to visit the activity centre at Newby Wiske Hall for 3 days/2 nights and take part in an exciting itinerary of activities. We would set off during the morning of Wednesday 18th September and return for approximately 3:30pm on Friday 20th September.

This trip, based on all the children in the class taking part, would cost £243.20 per child though this figure will increase should not everyone agree to take part. Children currently in receipt of Pupil Premium would have half of the cost met by their funding.

Before we go any further, we need to establish if this trip is viable and exactly how many children would attend. Please complete the attached form and submit this by Wednesday 15th November so we can evaluate the situation and feed this back to parents.

If this trip were to go ahead parents/carers would be able to pay the cost in monthly instalments to be completed by the end of August 2024 via SchoolMoney.

You can see more details about this venue by clicking the link [here](#). If you have any questions about this trip or the payments please contact the school office for clarification.

Yours faithfully

Mrs Berry
