Dear Parents/Carers of Reception Children

Transition / Settling In Survey

As we approach the end of this first half term, we hope that your child has settled well into school life here at St Michaels and that starting school has been a positive experience for both you and your child.

Your views and opinions are important to us as we constantly seek to improve our practices. I would be grateful if you could spend some time completing our survey by clicking the link [here](#) so that we can evaluate our transition processes for Reception children.

The survey can be completed anonymously, but if there is a particular aspect pertinent to you or your child that you would like to discuss with a member of school staff please do so, as it is difficult to rectify specific issues from an anonymous response.

The survey will be open for you to complete up until 5th November. When all the responses have been collated, a summary will be distributed for your information.

Many thanks for your co-operation.

Yours faithfully

Mrs Berry
