Dear Parents/Carers

Tapestry Online Learning Journal

We have recently bought a new assessment tool for our Early Years classes called Tapestry Online Learning Journal. We will use this system to gather information and monitor your child's progress.

You can download the app now called Tapestry Online Learning Journal or you can access it via your internet browser at <https://tapestry.info> Over the next couple of weeks, you will be sent an email to create your parent/carer account where you will be able to see observations of your child taken at school. You will be able to comment on these observations and you can upload observations of your child at home. You may want to share them reading, engaging in imaginative play or enjoying family celebrations.

Please bear with us over the next few weeks as we get up and running with this new system.

Yours faithfully

Miss Thomas
