Parent/Carer Workshop – Everyday Digital, Gaming

We would like to invite parents and carers to a workshop to be held in school on Tuesday 3rd October at 3:30pm and repeated at 6pm.

Understanding the digital world isn't always easy; this workshop will cover why digital gaming is important and what you can do to make gaming a positive part of family life. It will be hosted by Parent Zone Local who offer free services in Calderdale to help families feel safer, more confident, and in control online.

There is lots information to support families on our website; click the following link to go to our page [Your Childs' Wellbeing](#).

I hope you can join us for this useful and informative workshop. Resources will be shared afterwards. If you have any questions, please catch me in on the gate or phone school and leave me a message to call you back.

Yours faithfully

Mrs Westby
