

Summer Term House Points

Aiden 1391

Bede 1523

Chad 1425

Columba 1420

As we reach the end of another academic year, I want to take a moment to reflect on the achievements and challenges we've faced together. Our pupils have shown resilience and dedication, and we're incredibly proud of their progress.

I'd like to express my heartfelt thanks to all our parents and carers for your unwavering support. Your involvement and engagement have been instrumental in creating a positive and nurturing environment for our children.

We look forward to welcoming everyone back in the new term, refreshed and ready for more learning adventures. Wishing you all a relaxing and enjoyable summer break.

Mrs Berry

This year class governors are looking forward to moving up with the children to their next class. Here is some of the feedback from their reports from this year.

Pre-School

The children were very welcoming and enjoyed showing me around. The children were enthusiastic about explaining what the different areas were and showing me what they do in each area. All of the children that I spoke to shared that they loved playing outside and that they had a lot to play with outside.

Sophie Lawless

Reception

The children were enjoying everything they did. Learning was fun and it was very evident that good progress was being made. The children seemed fully engaged in what they were doing and were confident to talk to me and they were well able to articulate their thoughts. The different areas in the classroom offer the children a choice of activities which enable them to get the most enjoyment from what they choose to do. Children were keen to show their skills. Teaching staff are aware of each child's needs and have worked out the best way to help them.

Janet Hallows

Year 1

The children were so enthusiastic and incredibly polite. They feel cared for which is a lovely reflection on how it feels to be in Year 1. It was great to hear them talk so much about handwriting and about the books they've shared in class. It's interesting that they are so enthused by the Angel they wear on their tops and how they see it as a reflection of school being a caring place.

Glenda Raistrick for Juliette Craven

Year 2

When I talked with the children in Year 2 about our recent trip to Lytham St Annes, they were excited to tell me how much fun they had playing on the beach, having an ice cream and enjoying a donkey ride. These types of trips are incredibly important to children in that they provide life experiences and fond memories of school.

Class staff have a great understanding of each child's individual needs and attend to them excellently.

Lisa Lamin

Year 3

Children in Year 3 tell me that St Michaels have the nicest teachers and that lessons are fun and interactive. They have enjoyed transition week and feel this has helped them to get ready for next year. They enjoy the special themed days such as the one held recently for the Euros. They have liked learning about Pompeii, Sir Titus Salt and times tables. They think that the happy lunch time rules are very important, as is being kind to each other.

Glenda Raistrick for Foluso Enwerem

Year 4

The children were keen to share how school supports them and some specifically mentioned having help with their times tables. One of the reasons they said they liked our school is that lessons are fun and never boring. Year 4 have been learning about the digestive system and how it works, and have particularly enjoyed reading 'The Rhythm of the Rain'.

Chris Armitage

Year 5

The children in Year 5 were very welcoming, friendly and happy to chat to me about school. They had been working on their School Travel Cup project and wanted to show me their video and explain that they had written the scripts, decided on each scene, directed it, chose the music and put it all together. The children were clearly very proud of what they had produced and were looking forward to presenting their hard work.

Kate Lambert

Year 6

The children were confident and demonstrated positive relationships. School values and Friday Worships were highlighted. The children felt there was lots of recognition which provides plenty of opportunity to "brighten up someone's day". It was great to hear that they were very conscious of their position and influence in school with younger children. Unsurprisingly they focused a lot on the memories they've built. They all agreed that they feel ready to leave whilst also (to varying degrees) were apprehensive about High School. Football came up a lot, possibly influenced by the Euros! The group have enjoyed St Michaels and are leaving with lovely friendships and fond memories of their time here.

Glenda Raistrick

The Governors would like to wish everyone a very happy holiday and wish our Year 6 leavers every success and happiness as they set off on their next adventure.

Respect. Resilience. Responsibility. Confidence. Co-operation. Compassion.

*Be strong and courageous. Do not be afraid; do not be discouraged,
for the Lord your God will be with you wherever you go. – Joshua 1:9*
