*We believe in you, Lord.
We know that you can help us to love
and respect each other more
You are our light, the light that overcomes darkness.
Come, Lord Jesus!
Amen*

This week in Pre-School we have been listening to the story 'Whatever Next'. We retold the story through role play using boxes and our big rocket that we made. We also talked about what we would choose to take to Space with us.

On Wednesday Reception enjoyed a visit to Bethel Chapel Christmas Tree Festival. They enjoyed looking at all the decorations on the different Christmas trees.

In Computing this week, Year 1 continued to use the Bee-Bots and used the left and right turn commands along with forwards and backwards to navigate along a picture map. The groups worked really well and co-operatively with each other.

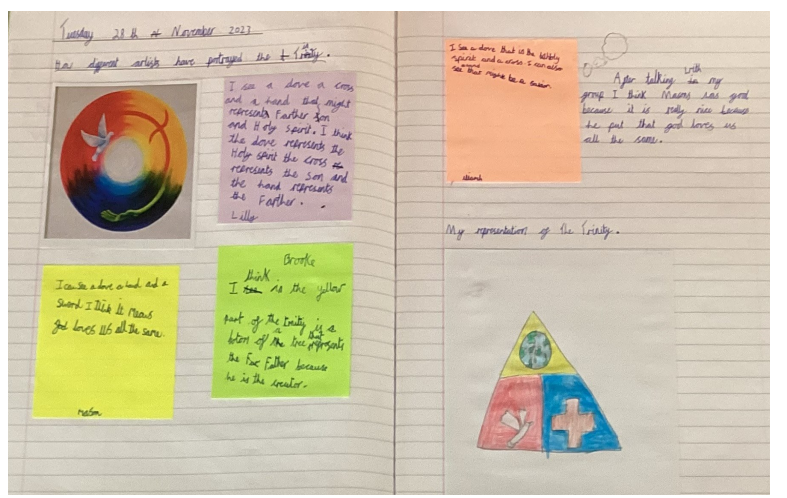

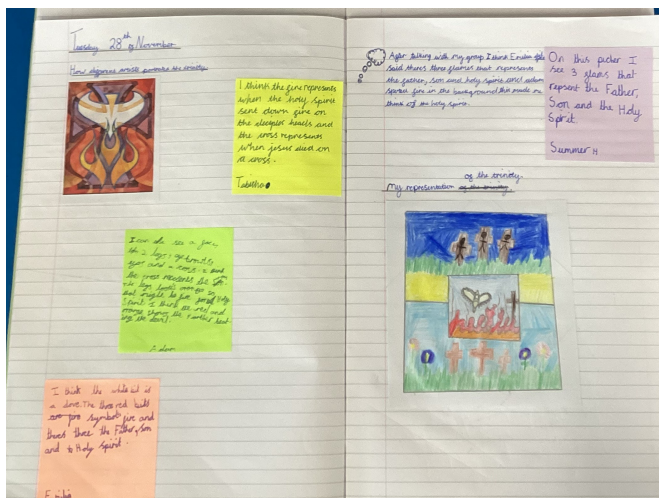

This week, Year 2 have continued with their DT Christmas Stocking Project and have been extremely resilient producing fantastic sewing stitches. The children are excited to complete their wonderful stockings.

As part of our Art topic, Year 3 have been creating images similar to those found in caves from the Stone Age. They had a go at creating pictures of animals using materials that would have been available then. They used mud and berries, it was messy but effective!

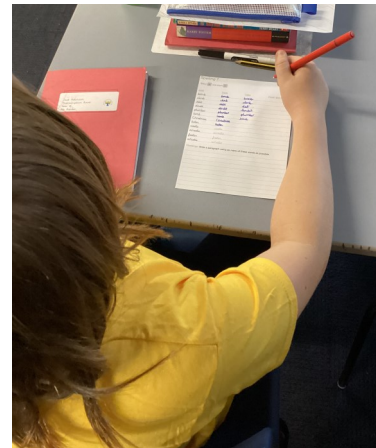

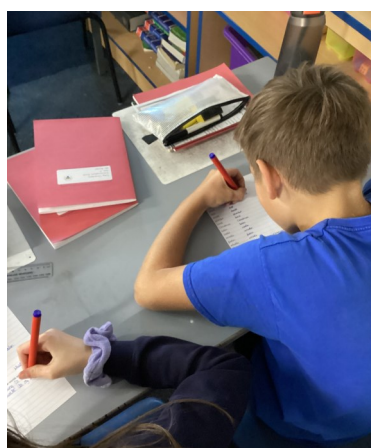

In Year 4 we have been looking at how the Trinity is represented through different art work. We looked at a piece of art and thought about our own interpretations, then shared our ideas with others in our group. After these discussions we reflected to see if our ideas had altered. We then also had a challenge to create our own artwork to represent the Trinity.

Year 5 had a fun afternoon using the I pads to practise using different filming techniques for computing. They are building up to creating a road safety video which will incorporate different angles in order to make the videos more engaging.

Since the start of the year, Year 6 have been working hard on their handwriting and presentation. We continued our handwriting practise this week by also learning words with the silent T and B within them.

Health and Wellbeing

On Wednesday three children took part in the Calderdale Cross Country Finals at Old Brodleians.

Well done to all who took part, what a great achievement!

Thank you to everyone who has knitted beautiful angels for us this year! We are happy to receive these up until the beginning of the last week of term when we will be delivering them around our community.
