

ST MICHAEL & ALL ANGELS C. E. (FOUNDATION) PRIMARY AND PRE-SCHOOL

Respect. Resilience. Responsibility. Confidence. Co-operation. Compassion.

Dear Families

2 September 2024

Welcome back to the start of another academic year and a very big welcome to those who are new to our school family.

This is the start of my twelfth year of headship at St Michaels and still the school continues to be a very special place to work. Our young people amaze us with their learning and become the best version of themselves.

I wish to take the opportunity to remind all our families of our six key school values and that **ALL** are welcome at St Michael and All Angels.

Respect - treating other people how you would want to be treated as well as taking care of belongings and the environment.

Resilience - when something is hard, seems impossible or has not gone as you wanted it to, that you don't give up and you keep trying.

Responsibility - taking responsibility for your own belongings, words, and actions. Other people trusting you to take care of something or somebody.

Compassion - being kind and caring to people, animals and the environment.

Cooperation - working well as part of a team by giving ideas and making suggestions as well as listening to other people's ideas.

Confidence - knowing what you are good at and believing that you can achieve things if you give your very best.

Our young people and families are very lucky that they have skilled and knowledgeable staff to support and nurture them as they learn. They provide them with lots of opportunities to develop as well-rounded members of our school community, who embrace and celebrate difference. This is what makes St Michaels a very special and welcoming place to be proud of.

I look forward to what this year has in store for us all.

Yours faithfully

Mrs Berry

Headteacher
