

## After School Club with The Clay Team

Dear Parent/Carer

This morning at assembly we presented to the children about our Clay Modelling Club which will be starting in school after the half term break. Children from Year 1 upwards are invited sign up to our festive themed workshops which will take place on Thursdays (7 Nov – 12 Dec) from 3:15 – 4:15pm.

We offer our workshops at a special community rate £5.50 per week, further details [here](#). There are a limited number of places available and these can be booked from 7pm tomorrow (Tuesday 1 Oct) when you will be sent a text with a link to website above along with a password.

All The Clay Team activities are based on our basic shapes a sphere, a cylinder and a cone which adds an element of fun whilst teaching 3D shapes and colour mixing. We cover a wide range of educational themes and topics using hidden learning – what will you create?

If you need any further information please contact:

Steph 07931308726 or Jodie 07505001414
