2 October 2024

Dear Year 4 Parents/Carers

Year 4 Multiplication Tables Check (MTC) - Meeting

Thank you to everyone who submitted a response to our poll about timings for the above mentioned meeting. I can confirm that this will now be held in school on **Wednesday 6th November at 5:30pm** for parents/carers of children in Year 4. The purpose of this meeting is to give you details and information about the Multiplication Tables Check that children in Year 4 will sit in June this academic year. The meeting should last approximately 30 minutes.

We ask that you continue to encourage your child to use their online TTRockstars account as regularly as possible – it has an excellent track record for improving times table recall and is great fun! Children can earn coins and create an online Rockstar avatar by battling one another and taking part in arena tours! One of the excellent features of TTRockstars is the 'Sound Check'. This is an online game set up in the same way as the MTC. Practising via 'Sound Check' will help children to prepare for the MTC. Equally, MathsFrame have also created an online check that is very similar to the MTC if you would like to try it at home [click here](#).

I will upload the PowerPoint presentation from our meeting to our class page after the event for anyone that is unable to attend.

Your faithfully

Miss Burt
