Dear Parents/Carers

Partnership for Inclusion of Neurodiversity in Schools (PINS)

As a school community, we are passionate about inclusion and know that all services have very stretched and fractured resources which have a massive impact on us all. Therefore, we applied to be part of a new project that was offered to schools in our local area.

We are very excited to share that our school has been accepted to embark on 'Partnership for Inclusion of Neurodiversity in Schools' (PINS). Whilst we have many strengths in this area, we are always looking for opportunities to improve and enrich our pupils' learning journey and ultimately their lives.

In the meantime, we received this [accompanying letter](#) and [questionnaire](#) yesterday and would appreciate if you could complete it at your earliest convenience.

Your support is invaluable, and we look forward to keeping you updated on this exciting opportunity.

Yours faithfully

Mrs Berry
