### Phonics Screening Check

Your child will be taking part in the Phonics Screening Check during the week commencing Monday 10<sup>th</sup> June. The Phonics Screening Check is a statutory assessment tool used to check children's phonic knowledge in Year 1 (and in Year 2 for those who did not pass in Year 1). Further details about the purpose, content and outcomes of the check are available on the [leaflet](#) attached.

The check will take place in a familiar environment with their usual class teachers to ensure children are comfortable and confident. Additionally, the children have had experience of completing similar phonics checks throughout the year in preparation.

Your child's score will be shared with you towards the end of the Summer Term.

If you have any further questions, please contact your child's class teacher or alternatively, you can email queries through the [school office](#).

Yours faithfully
