Respect. Resilience. Responsibility. Confidence. Co-operation. Compassion.

6 March 2025

Dear Parent/Carer

School Health and Wellbeing Survey

Each year our Year 5 and Year 6 children take part in a local Health and Wellbeing Survey. We have been asked by the Director of Public Health and the Director of Children's Services to take part in this survey again this year.

We will be asking all children to complete an online survey, asking a range of questions about their health and wellbeing. The survey has been developed with input from local head teachers and health professionals, so is suitable for this age group.

The survey will take about 20 to 30 minutes and will be done in school. The survey is confidential, and children aren't asked for their name or any other personal data.

The aim of the School Health and Wellbeing Survey is to give an overview of the health and wellbeing of children and young people in Calderdale, which will help services to plan and deliver support in a way that will best meet local needs.

If you have any questions, would like to see a copy of the survey, or do not want your child to take part, please contact the school office by Friday 21st March.

Yours faithfully

Mrs Berry

Head Teacher
