Dear Parent/Carer

Important Update: Changes to School Residential Trips

I am reaching out to inform you about a recent decision regarding our school's residential trips. After careful consideration of our budget constraints and the challenges faced with payments due to budget constraints on families also, we regret the plan will be that pupils have one residential trip which will be in Year 6.

We understand the educational benefits of these trips and deeply regret any disappointment this news may bring. Our focus remains on providing enriching experiences for all students, albeit with adjustments to ensure financial viability.

Newby Wiske will still go ahead for our current Year 4 and due to the way bookings work and the closure of Ingleborough Hall, they **may** be offered a trip in Year 6 also. We will let you know as soon as we hear ourselves. Following this, Year 6 will be the sole residential.

Your continued support and understanding are invaluable to us. If you have any questions or concerns, please feel free to get in touch.

Yours faithfully

Mrs Berry
