Dear Parents/Carers

### **SIAMS Report**

I hope this message finds you well. We are pleased to share with you the results of an inspection that took place on 20<sup>th</sup> March 2024 – a Statutory Inspection of Anglican and Methodist Schools (SIAMS). As part of the process, the inspector met with students, staff and governors. They also observed collective worship and lessons, spent time with staff, and spoke with children during lunch and break times in what was a robust and thorough inspection.

The report highlighted many strengths and positives across our school, including the dedication of our staff towards an inclusive school community. I am particularly proud that the inspector reported, *"Difference is not only accepted but is celebrated here. As a result, pupils feel free to be who they are and are respectful of difference and diversity."* It also states: *"St Michael and All Angels is a welcoming and inclusive community where pupils and adults experience being loved and belonging. Leaders know the needs of their pupils and families well. They seek to serve the school community"*. It is wonderful that this has been recognised.

I have attached a copy of the report to this letter for your information and wish to say thank you to the children, parents, staff and governors. Everybody has worked hard to ensure St Michael and All Angels is living up to its foundation as a church school and a very special place to live and learn.

Yours faithfully

*Joanne Feltham*
