St Michael's Angels are the wonderful PTFA who support school by raising funds, buying resources and treats for the children, and running fun events across the year.

Our team of dedicated parents come together to help out where they can. We have Joint Chairs - Sarah Beaumont and Gemma Brown, and Treasurer - Vicki Gibson. Along with a band of mums (dads are welcome) we do our best for the children.

We organise termly discos and Family Magic nights, as well as run our now famous doughnut stall at Shelf Gala, and everyone's favourite event, Elfridges.

We have bought everything from items for the classroom calm corners, to paying for a production company to perform a pantomime for the children at Christmas; and we have something very special booked in for next term!

After many years service, our Treasurer will be hanging up her money box (as her youngest child leaves St Michael's in Summer 2026) so we are already on the look-out for a friendly person with a head for numbers. If you think this could be you - please introduce yourself or drop us a message via the link on our page of the school website.

If you'd like to get involved - we need all kinds of skills and are happy if you can even give us an hour - or donate money, items or raffle prizes - just give us a shout! Also, we'd love you to follow our Facebook page so you can hear all about what we're up to!!!
