

After School Club with The Clay Team

Dear Year 1 – Year 6 Families

After the half term break, The Clay Team will be returning to St Michaels to run their Summer fun themed clay modelling club for children in Year 1 and upwards. These will take place on Thursdays (5th June – 10th July) from 3:15 – 4:15pm.

We offer our workshops at a special community rate £5.50 per week, further details [here](#). There are a limited number of places available and these can be booked from 6pm tomorrow (Thursday 22nd May) when you will be sent a text with a link to the Clay Team website above along with a password.

All The Clay Team activities are based on our basic shapes a sphere, a cylinder and a cone which adds an element of fun whilst teaching 3D shapes and colour mixing. We cover a wide range of educational themes and topics using hidden learning – what will you create?

If you need any further information please contact:
