

ST MICHAEL & ALL ANGELS C. E. (FOUNDATION) PRIMARY AND PRE-SCHOOL

Respect. Resilience. Responsibility. Confidence. Co-operation. Compassion.

7 July 2025

Dear Families,

Assessment

We would like to update you following changes we are making in school to our assessment system, this includes how we inform parents about their child's attainment and progress.

The details about how and what information we give to families about their child's assessment was discussed with our parent voice representatives, whose feedback was very valuable.

The first stage of our amended system, which will be introduced this academic year and involves the electronic distribution of all **statutory assessment** information directly to families via email. This means the Good Level of Development (GLD) in Reception, Phonics Screening Check in Year 1 and Year 2 retakes, Year 4 Multiplication Check and Year 6 SATs results will be emailed to families.

Classes from Year 1 to Year 5 will also receive an end of year update on their child's attainment via email.

We recognise that any transition to new systems may present unforeseen challenges, and we are committed to ensuring that this process operates smoothly for all members of our school community. Therefore, we welcome your feedback regarding this new system and would be grateful if you could inform us immediately should you encounter any technical difficulties.

Your continued support and engagement with our school's initiatives remain invaluable to us, and we look forward to your ongoing collaboration as we work together to enhance our communication systems for the benefit of all pupils and families.

Yours faithfully

Mrs Berry

Headteacher
