Dear Families

Staff Shout Out!

I am continually proud of our staff team as they continue to live out our school vision of promoting pupils to be "resilient, responsible learners with curious minds and a thirst for knowledge."

It is so important to take a moment to reflect and recognise what is going well. Therefore, as we come to the end of another academic year I wanted to give you the opportunity to give some fabulous feedback to our dedicated staff team, a 'Staff Shout Out!'.

If you would like to complete the form linked below, it can be anonymous if you wish, I will take a moment to share this with the staff member/members involved. Often this feedback really can make such a difference to an individual or team.

*This link will close Wednesday July 16th to give me the opportunity to collate the feedback before the end of term.

Staff Shout Out!

As we celebrate these successes, we recognise that the partnership between home and school remains crucial. Your continued support and engagement make an enormous difference.

With gratitude

Mrs Claire Berry
