Dear Families

School Milk Scheme

I write to let you know about a change to our school milk scheme.

From September, only children under the age of 5 years will receive a carton of fresh, chilled, semi-skimmed milk every day in school. This is funded by the Department of Health and school has already registered eligible children for this; no action is required.

After children turn 5, parents/carers can register to continue to reap the benefits of fresh mid-morning milk at a cost (subsidised by DEFRA) of approximately £20 per term. It is not too late to do this for September – our scheme is flexible. As well as being able to register and make payment straight away, you can join and cancel the scheme at any time [here](#). There are yearly, termly and half termly payment options and a recurring payment option to give you one less thing to remember. If you already have an online CoolMilk account for a sibling you can manage your account, make payment and add extra children by logging in [here](#).

If you have any questions regarding our school milk scheme please ask at the school office, visit the [Coolmilk](#) website or contact them directly on 0800 321 3248.

Yours faithfully

Mrs Berry
