

ST MICHAEL & ALL ANGELS C. E. (FOUNDATION) PRIMARY AND PRE-SCHOOL

Respect. Resilience. Responsibility. Confidence. Co-operation. Compassion.

Dear Families,

End of Year Letter

As we approach the end of another academic year, I write to celebrate what has been a successful period for our school community marked by fantastic achievements across multiple areas.

We are tremendously proud to share that our pupils have achieved results that exceed national standards across several key performance indicators such as our Good Level of Development outcomes in Reception, phonics screening results, and Multiplication Tables Check in Year 4. As well as this, our Year 6 pupils have delivered superb results that reflect not only their individual achievements but also the support and high-quality education they have received throughout their time with us.

At St Michael's we know that school is not just academic achievements and try our best to provide our pupils with invaluable opportunities. This year we have increased our after school club provision, pupils have had a range of educational visits that have enriched our curriculum provision.

As a school we have also taken part in many projects offered to us such as taking part in the pilot of the PINS (Partnerships for Inclusion of Neurodiversity in schools) project and look forward to continuing this work during the next academic year.

As we celebrate these achievements, we must also acknowledge the contribution of Miss Mitchell, who has been an integral part of our teaching team, and we extend our heartfelt best wishes to her as she embarks upon new adventures. We are also delighted to welcome Mrs Simmonds, Mrs Taylor, Mrs Tordoff, and Mrs Griffiths to our fabulous teaching and learning team.

I would also like extend my gratitude to the many volunteers who have contributed so generously to our school community throughout this academic year. Our dedicated governing body has provided invaluable strategic guidance and support, whilst our wonderful PTFA members have organised fantastic events and fundraising activities that have enriched our pupils' experiences. We are also deeply appreciative of our volunteer readers who have given their time to support our pupils' literacy development, and to all the other volunteers who have assisted with school trips, events, and daily activities. Most importantly, I wish to thank all our families for your unwavering support and partnership with our school staff – your collaboration and engagement have been instrumental in creating the positive learning environment that enables our pupils to flourish and achieve their full potential.

As this academic year draws to a close, I wish you all the very best for what I hope will be a beautiful summer period filled with rest, relaxation, and quality time with your families, and I look forward to welcoming you back to our school community on Monday, September 1st, ready to embark upon another year as well as our exciting launch of '20 things to do before you leave St Michaels!'.

Yours faithfully

Mrs C Berry

Head Teacher
