Activities and rooms

Teachers will choose the rooms and groups. They will not necessarily be the same as it is dependent on room sizes etc.

All rooms will be near to each other, and teachers will be in separate rooms close by. Children will all know where the teacher's rooms are if needed at any time.

Activities are varied and can be subject to change.

Medical needs

If your child needs any medication whilst they are away it will be administered by qualified first aiders.

All medication must be named and a medical form filled in detailing how much, how often etc. This includes medication such as hay fever tablets.

We bring liquid paracetamol that may be administered to your child if needed (if you give permission for this).

What to bring:

A kit list has been sent out detailing the main information.

The trip has been moved from February to try to get better weather however, we must plan for all weather eventualities!

- No jewellery
- **NAME EVERYTHING**
- **LIST** everything your child brings and stick the list in the suitcase.
- No sprays whatsoever – only roll-on deodorants please
- No mobiles, tablets, radios, MP3 players or torches.

There will be opportunity to visit the gift shop.

MAXIMUM of £10 spending money, preferably in change.

The poster features a dark blue background with yellow and white text. At the top left is the PGL logo. The title 'GIFT SHOP PRICE LIST' is in large yellow letters. The items are categorized into TOYS, STATIONERY, ACCESSORIES, CLOTHES, and GIFTS. Each category has a list of items with their prices. Images of various items like a teddy bear, stationery, water bottles, and gifts are scattered around the text. A small yellow speech bubble says 'that's how you're...'. At the bottom, there are blue banners for 'MUM', 'NEWBY WISKE', and 'LIDDINGTON'.
