Respect. Resilience. Responsibility. Confidence. Co-operation. Compassion.

Dear Families,

### **Change to dinner menus**

We are writing to inform you that after the October half-term holiday, we are changing the way we run school dinners. This change will mean that children become more independent in making choices for themselves as well as being a more efficient process for staff.

Although the menu will remain the same next term, children will be able to make a choice on the day of which meal they eat. There will be photographs of the meals to help children make their choice if they are unsure. Clearly this will be done age-appropriately.

We will continue to share menus on the website, so you are aware of what choices are available for your children each day.

Yours faithfully
