Respect. Resilience. Responsibility. Confidence. Co-operation. Compassion.

Dear Parents/Carers

Communication systems

It has taken longer than hoped to migrate fully to the App MCAS (My Child at School).

As a reminder,

- If you haven't already please download the app from either Google Play or the App Store, the app is free.
- You will need to allow notifications so that you can receive announcements from school.
- Once you are registered, please follow the guidance on the app.

From today we will be now be sending communications through both MCAS and Teachers2Parents whilst we embed MCAS fully. If you do not receive notifications from school on the MCAS app please let us know. Notifications should be received by all those with parental responsibility so again please let us know if that does not happen.

If you need any further information or troubleshooting please let us know whilst we work through this interim period together.

Yours sincerely,

Mrs Berry
